

Rabun County Commissioners

RESOLUTION

WHEREAS, a feasibility study is in the process of being conducted to determine the feasibility of constructing an interstate which will be known as Interstate 3 (hereinafter referred to as I-3); and

WHEREAS, I-3, if constructed, would possibly traverse through or near Rabun County, Georgia; and

WHEREAS, the construction of a federal interstate highway either through or in close proximity to Rabun County, Georgia, would have a devastating environmental, economic, cultural and aesthetic affect on Rabun County; and

WHEREAS, a large number of Rabun County citizens and leaders have voiced their objection to an interstate highway coming through or near Rabun County, Georgia; and

WHEREAS, Rabun County Board of Commissioners act as the representatives and voice of the people of Rabun County;

IT IS HEREBY RESOLVED by the Rabun County Board of Commissioners that it is opposed to a federally-funded interstate highway corridor being routed through or near Rabun County, Georgia.

Resolved this Tuesday, 23rd day of August, 2005

Rabun County Board of Commissioners
Eston Melton, Commissioner
